MAY 05 1999

GRN ID 1700

Sir:

The references cited on attached form PTO-1449 are being called to the attention of the Examiner. Copies of the references are enclosed. Also enclosed is a copy of the International Search Report corresponding to the International Application No. PCT/US98/25274 and a copy of each of the International Search Reports for the related International Application Nos. PCT/US98/24928, PCT/US98/25272, and PCT/US98/25212. It is respectfully requested that the cited information be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.

As provided for by 37 CFR 1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information.

CERTIFICATION

I hereby certify that each item of information contained in this information disclosure statement was either cited in the International Search Report in the corresponding PCT application and/or International Search Reports in the related PCT applications not more than three months prior to the filing of this statement or not known to individuals designated in 37 CFR § 1.56(c) more than three months prior to the filing date of this statement.

Applicants believe that no fee is required for submission of this statement. However, if a fee is required, the Commissioner is authorized to deduct such fee from the under the undersigned's Deposit Account No. 20-1430. Please deduct any additional fees from, or credit any overpayment to, the above-noted Deposit Account.

Respectfully submitted,

William L. Shaffer
